Dear Caspari:

Thank you for your invitation to speak at Cold Spring Harbor. I would like very much to accept, but our time is limited, and it seems doubtful that I could find enough to travel there.

However, many of your colleagues attend seminars at Columbia University. Would it be an acceptable compromise if I would ask you to make arrangements with the Zoology Department, preferably for Friday afternoon, November 6?

I regret that I cannot offer a more convenient arrangement.

With best regards,

Yours sincerely,
